## A message from Donna Roach

This has been a cold month but we celebrated anyway! Valentine's Day celebration was done with snow on the ground but our hearts were filled with warmth and love. As we go through the end of winter and begin to see spring making its way here let's think of how we can blossom and grow within our own life. This is going to be a great year and it will be full of the promise of better things to come!

Let me say thanks to each of you for being my Valentine this year!

*Happy Valentine's Day*
